

Silver Spring Pump Station Upgrade-Marrietta Avenue

Construction of a project to increase the capacity of the Silver Spring Pump Station began during February of 2025. This project includes the replacement of the pump station located on Silver Spring Road just north of Marietta Pike and replacement of sewer main following the bold black line on the map below.

Update (8-18-2025)

Crews will resume work on Marietta Avenue during the week of August 18, 2025. Work will start promptly at 9 am and stop at 3 pm. Work will continue through August 21, 2025.
